Excuse me but are you?
Sorry if I scared you with my test
In order to save a friend
You have proven to have plenty of courage and worth to have flew into my stomach
But as of late, my powers have weakened and the Hundred Eyed Demon king had defeated me gaining power over the spirit world
On the contrary I am his greatest enemy. His number one target.
So you're not affiliated with the Hundred Eyed Demon king?
I am the king of all the good ghosts of the spirit world
So I present to you this jewel as a weapon against him
I believe you kids are worthy enough to defeat the demon king
Okay Thanks!

Can you let me join in on your fight?
Wait up guys!
HEY!
Oh don't worry, Primary Demon is a good soul
Just don't cause any more trouble
Okay if you're a little more quiet
